MOVING AGAINST PORTO RICO.

Three Distinct Expeditions Will Land on the Island in Three Different Places.

SAN JUAN TO BE SURROUNDED.

Four Vessels Were Seen Passing Cape Haytien Last Night. Thought to Be American Transports.

WILL PROBABLY ARRIVE TOMORROW.

Scripps-McRae Service.

Washington, July 23.—It is said this morning that the government intends to send three different Porto Rico expeditions, and that they will land on three sides of the island and thus form a circle around San Juan. Within three weeks after landing it is expected by the president that General Miles will control the entire country.

ARE ON THEIR WAY.

Scripps-McRae Service.

Cape Haytien, July 23.—Four large American vessels were seen passing here last night. It is believed to be a part of Gen. Miles expedition to Porto Rico. The vessels were sailing easterly.

MAY ARRIVE TOMORROW.

Washington, July 23.—The transports, bearing the American troops, will arrive off Porto Rico at the latest Sunday noon, and it is believed at the rate the vessels are traveling they will be there considerably sooner.

The assault on San Juan will probably occur about Thursday or Saturday of next week, though one officer said yesterday he expected it would not occur till a week from Sunday. He said Sundays are our lucky fighting days and by that time our men will be in good shape, their lines well enforced and the guns for bombardment on land in place. There will be no rush as there was at Santiago, but when the grim ball dogs of war are set to barking the fall of San Juan will be as certain as death. The naval vessels will probably try some hard knocks at the San Juan defenses next week, but the army will not attack until later.

THE GARCIA TROUBLE.

Washington, July 23.—At the cabinet meeting the letter written to Shafter by General Garcia complaining of the treatment accorded him at the surrender of Santiago, was read and discussed at some length. The opinion was expressed that it evidently was based upon a wrong conception of the purposes and motives of the people. If it was true, a member of the cabinet said, that Garcia was not invited to participate in the ceremonies attending the raising of the American flag over Santiago it was a mistake.

PRIZE CREWS.

Scripps-McRae Service.

New York, July 23.—Two hundred Spanish sailors, being a part of the crews of captured Spanish steamers which are held as prizes, will sail this evening for Gibraltar. Then they will be released.

GEN. WHEELER A CANDIDATE.

Scripps-McRae Service.

Birmingham, July 23.—In a letter from Santiago to the democrats of the Eighth congressional district of Alabama, Gen. Wheeler announces his candidacy for a renomination to congress.

Wheeler says the war won't last much longer.

STRANGE ACTIONS OF GARCIA.

Said That His Insurgent Army Ambushed Spaniards Who Were Coming in to Surrender.

CUBANS REPULSED WITH LOSS.

If True Garcia's Action Puts the Insurgents Beyond the Possibility of Any Recognition By Our Army.

THEY MUST BE TREATED AS SAVAGES.

Scripps-McRae Service.

New York, July 23.—A special to the Herald tells the following astounding story, which for the sake of Cuba, it is hoped is not true:

It is reported that Gen. Garcia's army has had an engagement with a body of Spanish troops bound for Santiago to surrender according to the orders given Gen. Toral. The report says the Cubans ambushed the Spaniards but were repulsed with a loss of forty one men. The Spanish loss was small.

Such action on the part of the Cubans if true is foreign to all the usages of civil warfare and would place the insurgents beyond the pale of recognition.

MORE TROOPS FOR MERRITT.

Scripps-McRae Service.

San Francisco, July 23.—The transport Rio de Janeiro, with her complement of 1,000 troops, sailed for Manila today. Another 1,000 will depart on the steamer St. Paul on next Tuesday or Wednesday.

The big ships Arizona and Scandia can each take 1,500 men. If they go to Manila with troops the number of men sent to Manila will amount to 19,000. Gen. Merritt's friends say he will be satisfied with that number, in spite of the fact that 3,000 troops belonging to the Philippine expeditionary force will be left behind.

SPANISH PRISONERS SICK.

Scripps-McRae Service.

Annapolis, Md., July 23.—The sickness among the Spanish prisoners at the naval academy here is causing much concern. The authorities have ordered a strict watch for evidences of an outbreak of yellow fever. Several of the Spaniards have high fever, which is said to be malarial.

WAR BOARD MEETING TODAY.

Scripps-McRae Service.

Washington, July 23.—The report of the 211 wounded who have been brought to Key West on the Olivette from Santiago was made public today. The condition of 23 of the men is said to be serious.

The war board was in session over an hour this morning. Secretary Long said the general situation situation was carefully gone over.

The president and his advisors are well satisfied with the existing conditions.

Long said the principal business today was to find something for the navy to do in the near future. This is thought to refer to the part the navy will act in the Porto Rico campaign.

STEWARDS MEETING.

The board of stewards of the Broadway Methodist church are requested to meet at the church at 9:15 a. m. Sunday.

H. B. JOHNSTON, Pastor.

WATSON'S SQUADRON IN DOUBT.

It May Sail and It May Not—Spain May Sue for Peace Before It Is Ready for Sea.

AND IT MAY SOON BE DISBANDED.

A Case of Suspected Yellow Fever Appears Among the Soldiers at Fortress Monroe—Will Be Examined.

NO DEATHS AT SANTIAGO YESTERDAY.

Scripps-McRae Service.

New York, July 23.—A Times special from Washington says: Commodore Watson's squadron will not sail for the coast of Spain at all if Spain will ask those nations friendly to her to help stop the war.

The dispatch adds that there are many reasons for believing that the squadron will be disbanded in two weeks and the expedition to Spain abandoned.

A SUSPICIOUS CASE.

Scripps-McRae Service.

Washington, July 23.—Surgeon General Sternberg stated this morning that a case of suspected yellow fever had appeared among the Santiago soldiers in the hospital at Fort Monroe. He will go there today and make a personal examination of the case.

BETTER HEALTH IN THE ARMY.

Scripps-McRae Service.

Washington, July 23.—General Shafter telegraphs today that there were no deaths among the army at Santiago yesterday and the condition of troops is greatly improved.

WHOLE FLEET SAILS.

Scripps-McRae Service.

Tampa, July 23.—The entire fleet of transports that have been here, nine ships all told sail tonight and tomorrow loaded with troops under the command of Generals Swan and Rogers.

MURDERER ARRESTED.

John Brown, Colored, Charged With Killing Ed Capps, at Last in the Toils—In Jail Here.

Brown Was Captured at New Liberty, Ill., This Morning By Illinois Officers—A Brutal Murder.

John Brown, colored, the alleged murderer of Ed Capps, who was murdered and thrown into the river near here the latter part of March, was arrested this morning at New Liberty, Ill., by Marshal Black of Brooklyn, Ill., and Deputy Sheriff J. D. McGee, of Golconda. He was brought in this afternoon and lodged in the county jail on a charge of murder.

The facts in the murder are well known. A boat was found down about Metropolis along the latter part of March, and it proved to be the body of Capps, who had been at work on the Leyhe fleet. He was last seen in company with Brown, and came here with a roll of money. Brown rowed him in a skiff, and it is supposed he was killed, robbed and the remains cast into the river.

THE THIRD IS ORDERED TO MOVE.

Orders Issued Today That Both the First and Third Kentucky Regiments Go to Porto Rico.

PROVISIONS SCARCE.

Scripps-McRae Service.

Santiago, July 23.—No provisions have arrived here since the capitulation and consequently food is very scarce, and prices very high. There is much suffering, which is alleviated somewhat by the noble work of the Red Cross.

Scripps-McRae Service.

Atlanta, July 23.—Major Budd, commanding at Ft. McPherson, positively denies that any of the Spanish prisoners under his charge have escaped.

USED A CHAIR.

James Ray was arrested this morning by Officer Hoyer on a charge of assaulting Melinda Sullivan and threatening to kill her with a chair.

ANOTHER IMPORTANT VICTORY.

A Small Spanish Fleet Utterly Destroyed in the Bay of Nipe, in Eastern Cuba.

NIPE A MOST IMPORTANT POINT.

Can Be Used as a Base of Operations Against Other Parts of Cuba, and Especially Holguin.

AMERICAN LOSSES WERE VERY SMALL.

Scripps-McRae Service.

Key West, July 23.—The Topeka brings news today of the bombardment on the 21st inst., (Thursday) of Nipe, near Sagua. The Topeka opened the fire and was followed by the gunboats Wasp, Annapolis and Leyden. The Spanish troops were forced to abandon the forts.

by this time the other American vessels had forced the three Spanish gunboats in the harbor to surrender, and silenced the forts.

A body of marines was then landed and the American flag replaced the Spanish flag. The crews of the Spanish vessels escaped to the shore, and no attempt was made to capture them.

No Americans were injured, but the Spanish fatalities are believed to be large.

The Bay of Nipe lies on the north coast of Cuba, almost directly across the island from Santiago. It is proposed to establish a base there which will save about two days' time in sending supplies to the city as compared with the Santiago route. It will also form a good point of operations against Holguin, not far distant, and if it should develop that restraint must be laid upon the Cubans themselves, Nipe, in connection with Santiago, would be an effective means to do this.

GERMAN VESSELS.

Scripps-McRae Service.

Berlin, July 23.—It is said here the German cruiser Irene has been at Kaio Chou Bay since the 14th of July. The warships Gefion and Arons are under orders to go to Shanghai and Nagasaki respectively, and to Manila if possible.
